LOOKING FOR 100 WOMEN

THIS year marks 100 years of celebrating International Women's Day.

Local Member Tony O'Gorman MLA is supporting Business and Professional Women Joondalup (BPW) in asking 100 women from the City of Joondalup to come and celebrate by attending a free business breakfast.

"International Women's Day on 8 March 2011 signifies the achievements of women in the economic, political and social arena," Mr O'Gorman said.

"There are thousands of women working in the City of Joondalup."

BPW would like to acknowledge the vast contribution that working women make – whether as a business owner, a professional or as a senior manager in their organisation.

Mr O'Gorman said "We know these women are busy, that's why the breakfast will start at 7.15am and will have you out the door and on the way to work by 8.30am."

The breakfast will be held at West Coast Institute of Training.

Sponsors, dignitaries and major employers from the Joondalup area will join BPW Joondalup members to

Tony O'Gorman MLA and Sandra Cook from BPW Joondalup discussing the International Women's Day Business Breakfast.

acknowledge and applaud the contribution of "100 Working Women".

Sandra Cook from BPW Joondalup said "If you are selected to come along, you could take part in a promotional video and join in a centenary photo for posterity."

Applying is quick and easy – you just have to go to wd100bpwjoondalup.com, click Celebration Breakfast and tell us in 50 words or less why female business owners and professionals are important to our City.

BACK TO SCHOOL INFORMATION GUIDE

Did you know you can claim back many of the expenses involved in sending your child to school?

Parents can receive up to 50 per cent of eligible education expenses up to \$794 for high school students and \$397 for primary school students.

WA Labor has produced a booklet containing information on available allowances and financial savings available for children returning to school.
