BPW Perth
International Candle Lighting

Every year BPW members in more than 100 countries around the world meet to share a special candle lighting event that unites all cultures with a single purpose. Founder Lena Madesin Phillips brought in the universal ceremony and for seven decades BPW Australia has celebrated along with women from all other continents.

This year, BPW Perth will hold a simple candle lighting event at the home of BPW WA State President, Kate Waters and members will share this international spirit of BPW.

Please join us for this special event.
