Everyone is talking about.....

### “THE SOUTH WEST PROPERTY MARKET”

The past year has certainly “sealed the deal” in propelling the property and development markets here in South West Victoria. Join us, as we hear from experts in their field, currently navigating this industry, and sharing their valuable insights.

Christine Steere is a Licensed Real Estate Agent, Director and Principal of First National Real Estate Warrnambool with three decades of experience as a Commercial and Residential sales and leasing agent. Christine is an industry leader and has been a representative on the Real Estate Institute of Victoria Residential Property Management Chapter Committee and has completed the Women in Leadership Advanced Program.

Mary Holmes is a Director of Holmes McLeod Consulting Engineers Pty Ltd in Warrnambool. She has 30 plus years consulting experience providing expert structural engineer services to the private and government sectors.

Mary is a Fellow of the Institution of Engineers Australia, a Chartered Professional Engineer and a Registered Professional Engineer. In 2019 she was appointed by the VBA as a Member of the Building Practitioners Board.

Vivian Carter has 10 years' experience as a New Home sales consultant with local building company Bryan and Petersen Quality Builders. As the first point of contact Vivian works closely with clients to select the best design and bring together a quote including all preferred finishes and inclusions. She organises the construction contract, and everything required to apply for the building permit.

Natalie Stevens is a second-generation property developer, international bestselling Author and Founder of Build In Oz. Natalie's experience covers the entire property chain from the purchase of land to sales and marketing. As a woman who knows the insider secrets of the home building industry, Natalie shares tips and tricks that help families right across Australia build a home they love for a price they can afford.
